Course Content:

The student will gain a basic understanding of the field of visual merchandising and display through studying the various elements that comprise the discipline. Those elements include color, composition, lighting, store interiors and exteriors, window construction, mannequins, fixtures, and graphics and signage.

Department Policies:

Attendance and Testing Policy: Tests must be taken in class on the day and time they are scheduled. Absences do not waive the student's obligation to take the exam on the scheduled day. Students who do not take the test on the scheduled date will receive a grade of "0."

With the instructor's permission, the student will be permitted to take a makeup examination. Instructors may grant exceptions via advance arrangements or for medical, legal, personal or other bona fide reasons where students can provide valid written documentation for the absence. As a general guideline, employers requiring students to work during a regularly scheduled class is not considered a valid absence. Expressed in simple and absolute terms, cutting an exam will result in a grade of "0" unless the student has made advance arrangements or produces valid documentation for the absence.

Additional Attendance and Lateness Policies:

1. If out for illness or travel, see instructor. You must notify your instructor prior to the missed class. Notifying the instructor does not remove the absence.
2. In the event a student accrues more than 2 absences, a student's final grade will be lowered one grade level. 2 latenesses/leaving early= 1 absence.
